News No. 02/2019

## 4" Submersible Motor Cable Standardization

In the course of the second quarter of 2019, Franklin Electric standardizes the submersible motor cable material design. This change will affect all 4" motors up to 3 kW, Model-No. 2x4 xxx 67xxL

### Product advantages:

- Fully 316SS material
- Screw with Torx screwdriver Tx25
- cable part number:
  - Old: 310 178 401
  - New: 310 178 501 (please see catalog)
- Same prices as 304SS – no additional costs
- Material, marked with letter "L"

### Availability:

- Running change – expect mixed inventory until completion
- Same motor number
