## Technical drawings available on the Franklin Electric website

Dear customers,

to best assist you in your projects, Franklin Electric provides the technical drawings of the pumps in STEP and DWG format on the website [franklinwater.eu](http://franklinwater.eu).

We are committed to providing you with quality, innovation and the best service. Please do not hesitate to contact your Franklin Electric Area Sales Manager or Field Service Engineer for additional information.

### How to get to the drawings in just a few clicks:

The drawings are available for Horizontal and Vertical Multistage pumps, for the 6” and 8” Submersible pumps of the VS series and for End Suction Centrifugal pumps of the FNC and FNE series.
